Roll up your sleeves, put on an apron and have some tantalizing fun! Learn the basics of measuring, mixing and baking as you gain confidence in the kitchen [with some help, of course!]. Cooking has never been this entertaining, with exciting and tasty creations to "spice up" your kitchen spirit! Get your appetite rolling!

**KIDSRAEL - VIRTUAL ISRAEL:**

Ages 6-8 | Sunday 11:45-12:30 | \$90

Come and hop on as your child visits Israel. From Tel Aviv, to Jerusalem, the Dead Sea and more... Based on Moreno's theory of "Guided Imagination", minds will run free and have the unique experience of an authentic Israeli environment through various social activities - singing songs, eating traditional foods, and "become Israeli" through costumes and props! A truly great adventure for your child; this is another great way to introduce your child to Israel, its people, customs and history!

**FASTRACKIDS (WWW.FASTRACKIDS.COM):**

Ages 4-6 | Monday 3:30-5:30 | \$320

The FasTrackKids curriculum is delivered via the FasTrackKids Learning Station, an interactive whiteboard and CD-ROM based lessons in Natural Sciences. Creative activities enhance the curriculum, and children develop self-confidence as they prepare and deliver reports based on the classroom activity in videotaped presentations. The FasTrackKids program delivers substantial developmental gains in general knowledge, concentration, problem solving and other educational goals and can lead to higher academic performance throughout a child's learning years. The FasTrackKids educational goals are to: prepare children for school and life, develop creative thinking and problem solving, build communication and speaking skills, teach the application and transfer of knowledge, promote leadership and personal growth, and encourage a lifelong love of learning

**MEET NEW FRIENDS:**
